Words from our CEO

Welcome to Emergency Hospital Systems (EHS), first issue of Hospital Networks, an online newsletter that will provide information about our facilities, physicians, services, activities and community events. EHS has served more than 18,000 patients that call EHS their hometown “full service”.

We´ve had a Face Lift

Texas Emergency Hospital added nine beds to its renovated facility in Cleveland as part of its ongoing commitment to expanding services to better meet the health care needs of the communities while ensuring that the care provided is of the highest quality.

COMMUNITY ENGAGEMENT

Celebrating American Heart Month
February is National Heart Month and EHS is joining the movement by encouraging doctors, community partners and staff to wear red awareness t-shirts every Friday in February. Cardiovascular disease and stroke are the number one and number three causes of death in Texas.

Employee Engagement Committee Kicks Off

At EHS we have taken a step forward by establishing an Employee Commitment Committee. We firmly believe that employees who are engaged and connected to their organization and community are more likely to feel more committed, dedicated, and happy with their jobs.
