

THE NEWSLETTER OF THE EMERGENCY HOSPITAL SYSTEMS, LLC. May 2019

Words from our CEO

Welcome to the second issue of the Emergency Hospital Systems Newsletter. We are very proud for the positive response that we received from our first issue and hope that Hospital Networks continues to provide useful information. As always, we welcome your ideas and suggestions to continue improving our services to the community.

We Earned The Gold Seal of Approval® from The Joint Commission

We are proud to have been achieved the Gold Seal of Approval for Hospital Accreditation. This means that our facilities have met the Joint Commission's rigorous performance standards in delivering quality safe care. Thank you to our great staff who is working hard in improving the quality and safety of our patients care.

More Renovations for Texas Emergency Hospital

Renovations carried out recently at TEH included a complete update of our two elevators, the acquisition of a new chiller system and the complete modernization of our Radiology Department. Other renovations made in the past year included the modernization of our ER, the addition of a highly complexity laboratory and the opening of our catheterization laboratory.

Advancing Patient Satisfaction and Safety

Fifteen employees were recognized this quarter for their excellent work performance as part of the employee recognition program that EHS has in place to improve patient satisfaction and safety. At EHS we appreciate and recognize employees who are making an extra effort to better meet the needs, preferences and expectations of the patients they care for.

COMMUNITY ENGAGEMENT

Raising Awareness of Colorectal Cancer

EHS joined the initiative on raising awareness of colorectal cancer by encouraging employees to donate one can of goods and a pair of eyeglasses in exchange for wearing blue every Friday of March. The campaign highlighted the importance of having regular screening and making healthy choices.

EHS Participates In Career Day at Local Elementary School

We were very excited to participate in the Career Day event held on April 26 at Eastside Elementary. During the event, students had the opportunity to learn about the various professions they can find in the medical field, and especially within a hospital setting.
